Alleged Treatment & Health Subjects had been living in Argentina since 1970 where he was first a student and later a professor of economics. When father came to visit in December, he was not permitted to enter the apartment by members of the Argentine Army. Since then, he has had no word about subjects' whereabouts.

Background of Subject

Reply to Visitor Although we could not guarantee anything, we would consider asking the B.A. Embassy to request information on subjects.

Comment: Father is especially worried because his daughter-in-law is eight and one-half months pregnant.

Action: Suggest that Argentine Embassy be asked to transmit our request on whereabouts and that we copy the GOU on this request.
